Virtual Superyacht Finance Forum

Tuesday, October 27, 2020

Our upcoming annual Marine Money Superyacht event will be held VIRTUALLY on 27th of October 2020.

Being responsible for the health and welfare of our clients and supporters and in view of COVID-19 imposed travel and group gathering restrictions, we have little choice but to take this year's Marine Money Superyacht Finance forum online.

The webinars will be free of charge and registration links to each of the sessions will be made available weeks before the event.

Taking our event online also provides new and exciting opportunities for our sponsors, allowing companies to reach a larger, global audience, grow their contact database, have their brand name and content contribution permanently available for replays on our website and social media channels and target their message more effectively than ever before.

If you are interested in sponsoring and participating in our upcoming Superyacht virtual event, or brand your business, please contact Andrea Farrison at afarrison@marinemoney.com.
